

Georgia Conservation Commission Minutes
October 20, 2025 - DRAFT

Call to Order: 6:36 pm

Attendance:

Present: Alysia Catalfamo, Jen Kale, Suz Brown, Tom Hargy, Ken Minck
Peter Mazurak, Connor O'Driscoll, Fred Grimm; Guests: Justin Holmes from Pinnacle Engineering and Michael and Kathleen Palmer

Financials: Waiting for updated numbers from Lori – tax season! We have spent the entire line item budget for the year and the balance of the SLFRF funds.

Correspondence: None

Selectboard Minutes: None

September Minutes: Ken moved to accept the minutes as amended, Tom seconded, Jen and Suz abstained. Motion passed.

New Business:

1. Reviewed information regarding plat amendment for the conserved parcel including presentation by Mr. Holmes and input from Mr. and Mrs. Palmer. Discussed options. Ken moved to leave the Hibbard conservation & agriculture easement in place given that the easement was granted as a condition of the original subdivision and was intended to maintain the integrity of the natural resources. Tom seconded. Motion passed unanimously.
2. Discussed options for a memorial sign for Chris at SLW including different materials, prices for each, etc.

Ongoing Business:

1. New trail at SLW is complete; the community seems pleased.
2. Will revisit the possibility of an additional trail on the east side of the SLW parcel in Spring 2026 to confirm moisture levels.
3. Charlie is looking for a logger with the right equipment to take the job at SLW.

Items not on the agenda:

1. Annette has tendered her resignation from the GCC and we are actively looking for a new member. Alysia will post on Front Porch Forum.
2. Need to work on budget proposal for 2026 so it's ready when the time comes.

Adjournment: 8:50
