

**Georgia Conservation Commission Minutes**  
**December 15, 2025 - DRAFT**

**Call to Order:** 6:38 pm

**Attendance:**

Present: Alysia Catalfamo, Jen Kale, Suz Brown, Connor O'Driscoll, Ken Minck

Absent: Peter Mazurak, Fred Grimm

**Financials as of 12/9/25:**

CRF (account 9-1-00-00-01.05): \$159,225

General (account A-1-00-00-01.05): \$51,805

Line items (account 1-7-05-80-52.00): \$0

**Correspondence:** None

**Selectboard Minutes:** None

**November Minutes:** Suz moved to accept the minutes, Connor seconded. Motion passed.

**New Business:** None

**On-going business:**

1. Logging at SLW – Project moved to 2026. Need to install bridge while weather is warm, then log during winter weather. Bridge installation is tentatively scheduled for next fall with logging tentatively scheduled for the 2026-2027 winter season.
2. 2025 annual report – discussion regarding a few minor changes. Will submit after collecting a few photos.
3. Edits to Vermont Wetland Rules – posted for public comment through January 14<sup>th</sup>, 2026.

**Items not on the agenda:**

1. Terms up for reappointment in 2026 – Suz, Jen, and an alternate spot that is currently open.
2. Alysia will contact VELCO regarding the 3" stone due to the postponement of the logging project.
3. Resignation – Ken Minck, the last remaining original member, has decided to resign from the GCC. He dedicated decades of his life – 32 years – in service to the town of Georgia, and we are deeply appreciative of all that he has accomplished in that time. His encyclopedic knowledge of the land, people, and history of Georgia has been an invaluable asset to our mission. Along with many other conservation and grant projects, Ken was instrumental in the conservation of the Silver Lake Woods property – without his outreach, the conserved land in Georgia might look very different today. We thank Ken for his service and wish him nothing but the best in the future.

**Adjournment:** 7:49
