6. IT SERVICE PROVIDER CHANGE

- The Selectboard recommended the GPL Trustees consider switching IT service providers to Bouchard Home and Office Services, LLC which currently provides services to the Town offices, Town Garage, and Fire Department. In addition to unifying the IT services for the Town, there would no longer be a duplication of services and expenses, all the backups will live in the cloud, it reduces the risk of employee computer tampering and will put the library on the same software and hardware upgrade schedule. Furthermore, the IT services will maintain all emails going forward, recordkeeping for potential FOIA requests.
- J. Harvey made the motion to change IT providers from Green Mountain Geeks to Bouchard Home and Office Services, LLC, K. Caspers seconded the motion. All in favor
